

## WHAT IS NEIGHBOURHOOD SUPPORT?

Neighbourhood Support is a nationwide community led movement that brings people and neighbourhoods together to create safe, resilient and connected communities.

We work alongside New Zealand Police and other partners to equip neighbourhoods to improve safety, be prepared for emergencies and support one another so that our communities are great places to live.

### Why join?

A well-connected community helps to improve the safety, resilience and well-being of all residents. When you join a Neighbourhood Support group you will:

- Have a great way to get to know the people that live around you.
- Receive emails and alerts that will keep you up-to-date with news from our community partners, including New Zealand Police.
- Gain tips and resources (such as street signs and letterbox / window stickers) to improve your household and neighbourhood safety and deter crime.
- Learn how you can be better prepared for emergencies.

By working together we can support each other, solve local issues and make our neighbourhoods safer and more welcoming. **Best of all, it's FREE to join!**

### How do I get involved?

It's easy! You can either join an existing group or form a new one. When you join a group you get to decide what works best for you. You can share the information you want with who you want and your group can meet when and how it likes.

You could:

- Meet regularly or as needed.
- Stay connected online or by email.
- Host street barbecues or events.
- Volunteer to be a street contact.
- Get organised and undertake some neighbourhood projects.
